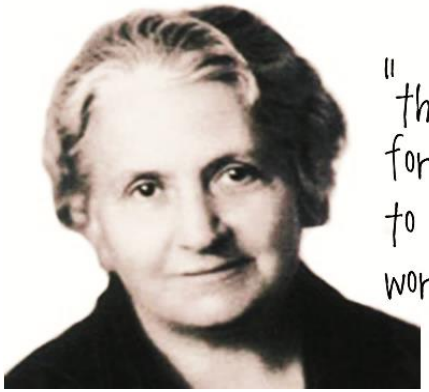
Dear Parents,

This Progress Report Card shows the ability and progress your child has in different learning areas from simple to complex. We encourage you to note your child's progress record. We desire your cooperation in our effort of developing your child to become a well-rounded individual.

We would appreciate very much your coming to talk things over with us regarding your child's progress.

Thank you.



"the greatest sign of success for a teacher... is to be able to say, the children are now working as if I did not exist."
